1. Features

The Sitewards Newsletter Extension allows the customer to subscribe to a newsletter after accepting a confirmation email. This confirmation email cannot be turned off. When subscribing or unsubscribing the customer does not receive a notice email anymore.

2. Requirements

2.1. Hardware

The same requirements as for Magento apply.

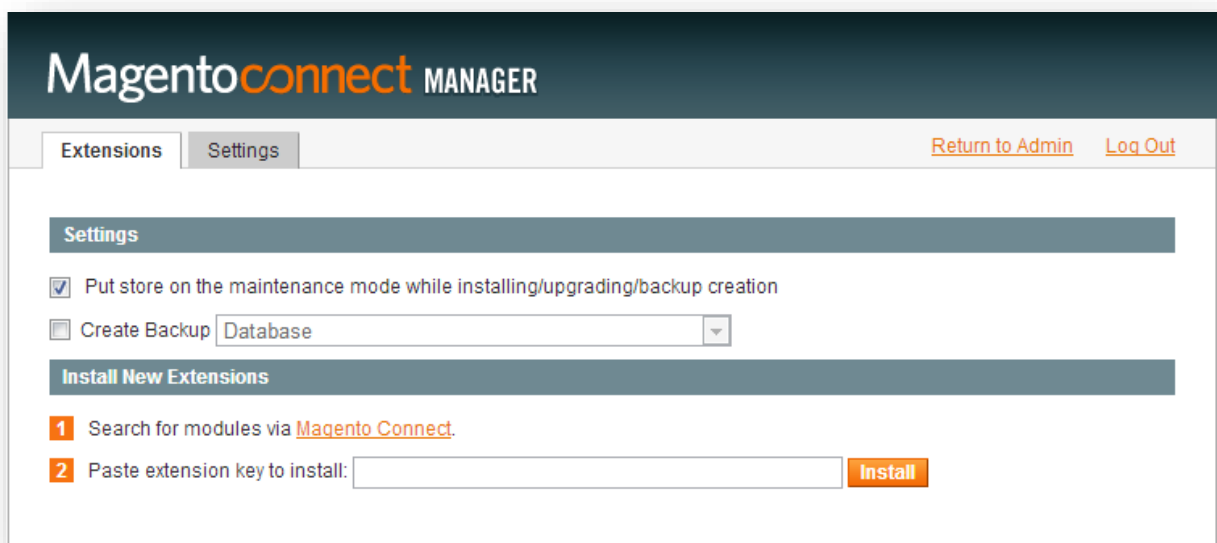

2.2. Software

Magento 1.4.0.1 or higher

PHP 5.3 or higher

3. Installation

Sitewards Newsletter Extension can be downloaded with Magento Connect. In the backend of your site go to System → Magento Connect → Magento Connect Manager. Now log in with an administrator account.

In the “Extensions” tab you find the section “Install New Extensions”. Here you can paste Sitewards Sitewards Newsletter Extension “extension key”. You can find it at:

[add new link here](#)

Here select “Install Now”, choose your Magento Connect version and copy the key. Paste the key and proceed to install.

4. Configuration

? maybe explain how to change the confirmation email

The confirmation email uses the standard Magento template and can be edited at ...
